Click on "live events" tab.

5% of revenues will be donated to [Chicago Scholars](#), a one-of-a-kind 7-year mentoring and leadership development program equipping many of Chicago's brightest and most driven students from under-resourced communities with the tools and mindsets they need to realize their college-to-career dreams and become the city's top leaders of tomorrow.

Are you ready to finally become the presenter that influences and inspires? In this hands-on workshop you'll learn how to create spectacular visuals, and tell stories that resonate with your audience. This workshop is for people who want to become more confident, and deliver the best presentation every time. Whether you're a professional who regularly presents as part of your job, or an entrepreneur who frequently pitches to clients and investors, this workshop is for you. I'll teach you how to be informative, engaging, and memorable using your own unique voice and presentation style.

You'll Learn . . .

- How to tell stories that are relatable and memorable
- How to use non-verbal communication to connect with your audience
- How a minimalist approach to slide decks & visual aides can maximize the visual experience
- How to integrate multimedia and encourage audience participation

Register NOW if you . . .

- Want to become a more confident presenter
- Struggle to present your content in an interesting way
- Want your presentations to have a distinct look, sound and feel

What's Included:

- Workshop Materials and Handouts
- Box Lunch & Beverage
- Complimentary Presentation Tips e-Book
